

# ACADIA UNIVERSITY

*Located in Wolfville, Nova Scotia, Acadia University is recognized as an outstanding academic institution. Founded in 1838, it is one of Canada's oldest and most respected universities and offers a liberal arts education unique among post-secondary institutions. Acadia offers a stimulating, vibrant environment, on and off campus, where dedicated faculty inspire and challenge students to be their best through supportive personalized learning environments, holistic education and nurturing community engagement.*

## Faculty of Pure and Applied Science Department of Biology Per Course Faculty Teaching Opportunity

Under the terms of the 16th Collective Agreement, and in accordance with Article 58.10(a)(ii), the University invites applications from all qualified individuals. First consideration will be given to internal candidates as defined in Article 58.11(b)(i) of the Collective Agreement (Internal applicants are all individuals on the Precedence List as defined in Articles 11.12(a), 11.12 (b) and 11.12(m) and all Full-Time Employees.).

### **Competition: # BIOL 01-88-24**

**Course Title:** Physiology and Anatomy 1 including lab (BIOL 2853 SUB1)

**Contract Term:** May 13, 2024 – June 28, 2024

**Course Schedule:** Summer 2 – Monday - Friday – 9:00 am – 4:00 pm – May 27 – June 14, 2024

**Employee Group:** Acadia University Faculty Association

**Course Description:** An integrated approach to understanding human anatomy and physiology. Major topics include levels of organization, muscle-skeletal systems, neuroanatomy and physiology, and the integument. Labs involve use of specimens and models. This course is recommended for nursing students. Antirequisites: Credit can be obtained for only one of BIOL 2813, 2853 or KINE 2413. Major credit cannot be obtained for both BIOL 3173/BIOL 3183 and BIOL 2853, although BIOL 2853 can be used as a science elective.

### **Qualifications:**

The successful applicant must possess at minimum a master's degree or PhD in Biology with a focus on human physiology and anatomy. Preference will be given to applicants with both lecture and lab-based teaching experience in human physiology and anatomy.

### **Only short-listed candidates will be contacted.**

To apply for this opportunity, click on the "Apply Now" button and upload a letter of application, a curriculum vitae, a copy of terminal degree/diploma and course specific Teaching Statement that addresses both lecture and lab-based learning in human anatomy and physiology. Teaching evaluations will be considered an asset, if they are available.

If further information is required, please contact Cathy MacDonald, Provost and Vice-President Academic Office at [cathy.d.macdonald@acadiau.ca](mailto:cathy.d.macdonald@acadiau.ca).

### **Competition closes April 18, 2024 (at midnight)**

*The University invites applications from all qualified individuals; however, Canadians and permanent residents shall be given priority. First consideration shall be given to internal candidates as defined in Articles 58.11 (b)(i) of the Collective Agreement. The University encourages applications from Indigenous people; African Canadians; African Nova Scotians; persons with disabilities; visible minorities; women; persons of any minority sexuality, gender identity or gender expression; and all intersections of these identities. Acadia embraces the principles of equity, diversity, and inclusion as fundamental in creating an expansive academic environment and champions diverse knowledge systems as pillars of academic excellence.*

*All applicants shall be required to submit an online self-identification form ([Employment Equity Voluntary Self-Identification Form](#)) (Article 3.61(i)). These forms shall be processed by Human Resources. Information provided on these forms shall be held in confidence and may only be used for employment equity purposes as agreed in Article 43.35(b) and 43.35(d)(ii). Self-identification data collected for a given employment competition shall be destroyed after all requirements to preserve documentation for that competition have expired. Only candidates who have submitted a self-identification form can be considered as members of designated groups as described in Article 3.20. The form shall include the option to not self-identify, but candidates must submit the form with their applications.*
