(3h lab). *Prerequisite(s): BIOL 2073, and BIOL 2563 or one BIOL course at the 3000- or 4000-level. Corequisite(s): BIOL 4110L.*

Qualifications: MSc in Biology or a related field; relevant work experience considered an asset; familiarity with the fishes and marine ecosystems of Nova Scotia is considered an asset.

Only short-listed candidates will be contacted.

To apply for this opportunity, click on the “Apply Now” button and upload a letter of application, a curriculum vitae, a statement of teaching philosophy including a short overview of how you would offer this course, and student surveys if available.

If further information is required, please contact Elisha Harper, Human Resources Department, at elisha.harper@acadiau.ca.

Competition closes April 24, 2026 (at midnight)

The University invites applications from all qualified individuals; however, candidates eligible to work in Canada shall be given priority. First consideration shall be given to internal candidates as defined in Articles 58.11 (b)(i) of the Collective Agreement. The University encourages applications from Mi'kmaq and other Indigenous Peoples; African Nova Scotians; African Canadians; persons with disabilities;

racialized groups; women; persons of any minority sexuality, minority gender identity, or minority gender expression; and all intersections of these identities; and such other groups as may be specified by federal or provincial employment equity legislation. Acadia University embraces the principles of equity, diversity, and inclusion as fundamental in creating an expansive academic environment and champions diverse knowledge systems as pillars of academic excellence.

Applicants for positions at Acadia University shall be required to complete and submit the confidential Employment Equity Self-Identification Form ([Employment Equity Self-Identification Form](#)) (Article 3.61(i)). *These forms shall be processed by Human Resources. Information provided on these forms shall be held in confidence and may only be used for employment equity purposes as agreed in Article 43.35(b) and 43.35(d)(ii). Self-identification data collected for a given employment competition shall be destroyed after all requirements to preserve documentation for that competition have expired. Only candidates who have submitted a self-identification form can be considered as members of designated groups as described in Article 3.20. The form shall include the option to not self-identify, but candidates must submit the form with their applications.*
