

*Located in Wolfville, Nova Scotia, Acadia University is recognized as an outstanding academic institution. Founded in 1838, it is one of Canada's oldest and most respected universities and offers a liberal arts education unique among post-secondary institutions. Acadia offers a stimulating, vibrant environment, on and off campus, where dedicated faculty inspire and challenge students to be their best through supportive personalized learning environments, holistic education and nurturing community engagement.*

**Faculty of Pure and Applied Science  
Department of Mathematics and Statistics via Open Acadia  
Per Course Faculty Teaching Opportunity**

**Under the terms of the 17th Collective Agreement, and in accordance with Article 58.10(a)(ii) the University invites applications from all qualified individuals; however, candidates eligible to work in Canada shall be given priority. First consideration shall be given to internal candidates as defined in Article 58.11 (b) (i) of the Collective Agreement.**

**Competition:** # MATH 06-182-26

**Course Title:** Number: Whole Numbers, Integers, Rational Numbers, and Real Numbers (MATH 1563 FA30)

**Contract Term:** August 17, 2026 – January 4, 2027

**Course Schedule:** Fall Term: TBD

**Course Format:** TBD

**Employee Group:** Acadia University Faculty Association

**Stipend Amount:** The current Per Course stipend for this appointment is specified in Appendices H and I of the [17<sup>th</sup> Collective Agreement](#).

**Course Description:** An in-depth study of number (whole numbers, integers, fractions, and decimals) across grades 4-10, focusing on the development and understanding of the underlying ideas. Additional focus will be placed on where student misconceptions occur, links with other mathematics ideas, and effective teaching strategies.

*Note: This is a course offering for the **Certificate in Mathematics Teaching (Grades 5-9)** cohort*

**Qualifications:** The successful applicant must have a Masters or Ph.D. in Mathematics (or a related discipline) or B.Ed. with significant experience with the Nova Scotia Mathematics Curriculum, especially grades 4-10.

**Only short-listed candidates will be contacted.**

To apply for this opportunity, click on the "[Apply Now](#)" button and upload a letter of application and curriculum vitae. In the Cover Letter and/or other documents, the candidate should describe their performance and potential as a teacher/lecturer as related to Math Certificate target audience of middle school teachers and their knowledge of the Nova Scotia Mathematics Curriculum, especially grades 4-10.

If further information is required, please contact Elisha Harper, Human Resources Department, at [elisha.harper@acadiau.ca](mailto:elisha.harper@acadiau.ca).

**Competition closes June 25, 2026 (at midnight)**

*The University invites applications from all qualified individuals; however, candidates eligible to work in Canada shall be given priority. First consideration shall be given to internal candidates as defined in Articles 58.11 (b)(i) of the Collective Agreement. The University encourages applications from Mi'kmaq and other Indigenous Peoples; African Nova Scotians; African Canadians; persons with disabilities; racialized groups; women; persons of any minority sexuality, minority gender identity, or minority gender expression; and all intersections of these identities; and such other groups as may be specified by federal or provincial employment equity legislation. Acadia University embraces the principles of equity, diversity, and inclusion as fundamental in creating an expansive academic environment and champions diverse knowledge systems as pillars of academic excellence.*

***Applicants for positions at Acadia University shall be required to complete and submit the confidential Employment Equity Self-Identification Form ([Employment Equity Self-Identification Form](#)) (Article 3.61(i)).*** These forms shall be processed by Human Resources. Information provided on these forms shall be held in confidence and may only be used for employment equity purposes as agreed in Article 43.35(b) and 43.35(d)(ii). Self-identification data collected for a given employment competition shall be destroyed after all requirements to preserve documentation for that competition have expired. Only candidates who have submitted a self-identification form can be considered as members of designated groups as described in Article 3.20. The form shall include the option to not self-identify, but candidates must submit the form with their applications.
